20	SIMPSONS	GLBL ONTS	20:00:00	5	3.7

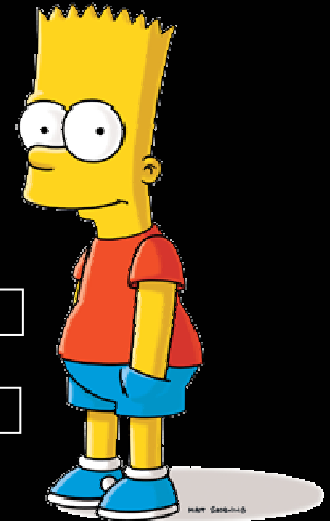

In Toronto Family Guy and The Simpsons both sit just outside the top 20. The season so far has been heavy with repeats, however, the remainder of spring will be full of original episodes, which will surely bump these steadfast performers higher into the rankings.

Toronto is not the only market where these beloved troublemakers leave their mark on the top ten.

Vancouver sees Family Guy currently sitting in the 16th spot.
