NCIS Continues To Over-deliver Throughout the Summer.

NCIS continues to be a Global TV favourite this summer as viewers tune in to see Gibbs and his crew solve the toughest of naval mysteries and murders. NCIS has continued to **overachieve** versus its projections in both Vancouver and Calgary **doubling its projections** in some female demographics. Setting up for the big return this Fall NCIS will deliver big thrills all summer long!

Catch up on all your favourite episodes of NCIS Tuesday nights this summer on Global.

Special Agent Gibbs always leads his team of experts to the truth.
